

Chamber Awards Award Nomination Procedure

NOMINATING AN INDIVIDUAL, ORGANIZATION, OR BUSINESS:

Chamber award nominations open in February and close the end of October each year.

You are entitled to nominate any member or non-member business, except your own. Self-nominations are not permitted.

Nominations must fit with the criteria of the category. For example: If nominating for Business of the Year the business must be in operation for more than two years and have more than 10 employees. If your nominee does not fit in the category you have chosen but meets other award's criteria, Chamber staff will contact you with another suggestion.

You do not have to be a Chamber member to nominate a business, person, or organization for an award.

AWARD NOMINEES & FINALISTS:

Businesses do not have to be a Chamber member to be nominated for an award or to become a finalist.

The Chamber may contact nominees for further information.

Award recipients may not be nominated in the same category for three years following their win but can be nominated and awarded in other categories.

The Comox Valley Chamber reserves the right to limit the number of selected nominees in each category.

JUDGING AND NOTIFICATION

After the nomination deadline all submissions are forwarded to a judging panel comprised of diverse business leaders from the community. After reviewing and researching the nomination submission the judging panel will narrow the nominations to three finalists. A ballot for each category is then received from each panel member. The recipient is kept under lock and key until the night of the awards.

Once finalists are announced notification is sent to all nominees. Finalists will be contacted by the film crew or Chamber staff to book their video which is presented the night of the awards.

Members of the judging panel, their employees, and their family may not be nominated.

Sponsors of an award cannot be nominated in their sponsored category.

Award finalists and nominees will be contacted in November.

Gala tickets are released to finalists and sponsors before the general public.

Chamber Awards Criteria

Definition of a Business:

A business, as defined by the Comox Valley Chamber of Commerce, is a company or other entity that is engaged in the purchase and resale of goods or provision of services for the purpose of generating a profit for its owner(s). The business must have a business licence in the Comox Valley.

Definition of Not for Profit:
