

GROW YOUR BUSINESS WITH PENINSULA

Having access to your own human resources team means more time to build your business. That's where Peninsula comes in.

HR and Employment Relations

We carry out a review of your current workplace documentation & processes and identify specific gaps and solutions. We gain an understanding of your business and tailor your documentation needs, like contracts and employee handbooks.

Online Tools

Part of our service includes an easy-to-use online HR management tool, BrightHR, our online absence management system which help you keep track on when your staff are working and also stores all your employee records.

24/7 Advice

Anytime. Anywhere. Our team of HR and health & safety specialists & employment relations experts are available day or night to answer any questions & offer the advice you need to handle any employee problem that occurs.

Health & Safety

The Peninsula health & safety team provide risk assessments; compliance reviews; a comprehensive management system; responsibility planner, training courses as well as access to the 24/7 advice service and regular legislation and regulation updates.

Peninsula Protect

Peninsula Protect is our discretionary benefit protection service. It's comprehensive protection ensures that everything is taken care of by legal professionals who will guide you through any enforcement actions, as well as provide expert legal representation in the event of any litigation - at no extra cost.

Want to learn more about how Peninsula helps small businesses manage these risks effectively? If you have any questions or require any additional information about any of our services, please don't hesitate to contact our expert team at:
